Laptop backpack

With great organization and portability features, the Klip Xtreme® laptop Backpack is incredibly practical and stylish. Featuring a padded laptop compartment, this backpack perfectly accommodates your portable devices, documents and all those essentials you may need for the journey. It features a rubber grommet in the front to pass through your headphone cord. Ergonomically padded back panel provides superior lumbar comfort. Its sturdy construction, coupled with strong zipper closures, ensures superior durability without cramping your unique urban style.

Features:

- **Protection:** Padded main compartment, with divider and strap, suitable for laptops up to 16 inches
- **Organization:** The front features a multifunctional compartment with an interior organizer for your daily stationary, cell phone, documents, and other key accessories. It also includes an interior utility mesh compartment, ideal for storing cables and other digital devices
- **Convenience:** Sturdy and lightweight design, perfect for hauling your gear easily on your back
- **Comfort:** Integrated handle, with parachute-style shoulder straps to ensure the even distribution of the weight
- **Material:** Made from water repellent, 800 denier polyester fabric
- **Color:** Charcoal with black and light grey accents
